

<b>DATE</b>	<b>14<sup>TH</sup> November 2022</b>
<b>TEAM ID</b>	<b>PNT2022TMID36126</b>
<b>PROJECT NAME</b>	<b>GAS LEAKAGE MONITORING AND ALERTING SYSTEM FOR INDUSTRIES</b>

### **Task:**

A mobile application for monitoring the Environmental parameters around the region of sensor has been developed using MIT App Inventor.

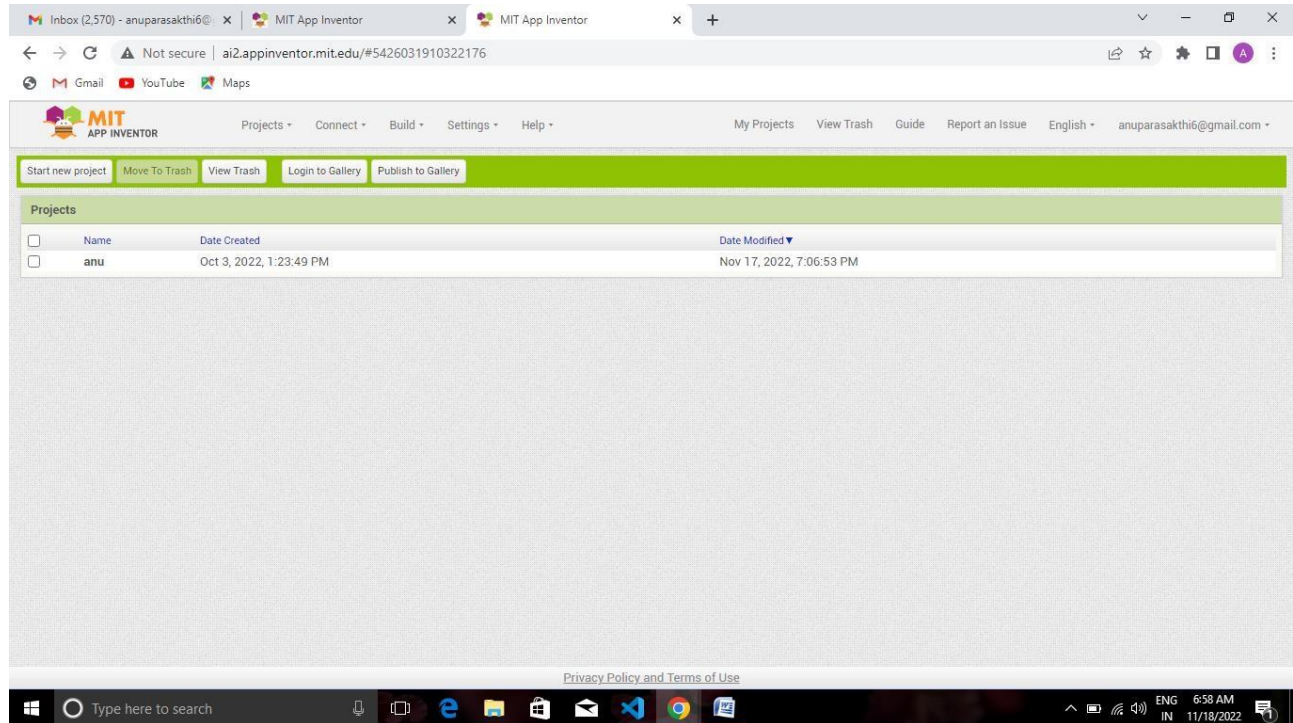

### **Screens Information:**

1. **Screen – 1:** It is the entry screen of the mobile application and will be displayed only for 2 seconds.
2. **Screen – 2:** It is the login page of the application. Each user has their own user name and password, which is known only to them. After validating the credential, User can access the data produced by their devices.
3. **Screen – 3:** Environmental parameters such as Temperature, Humidity & Concentration of Gas are displayed in this page.

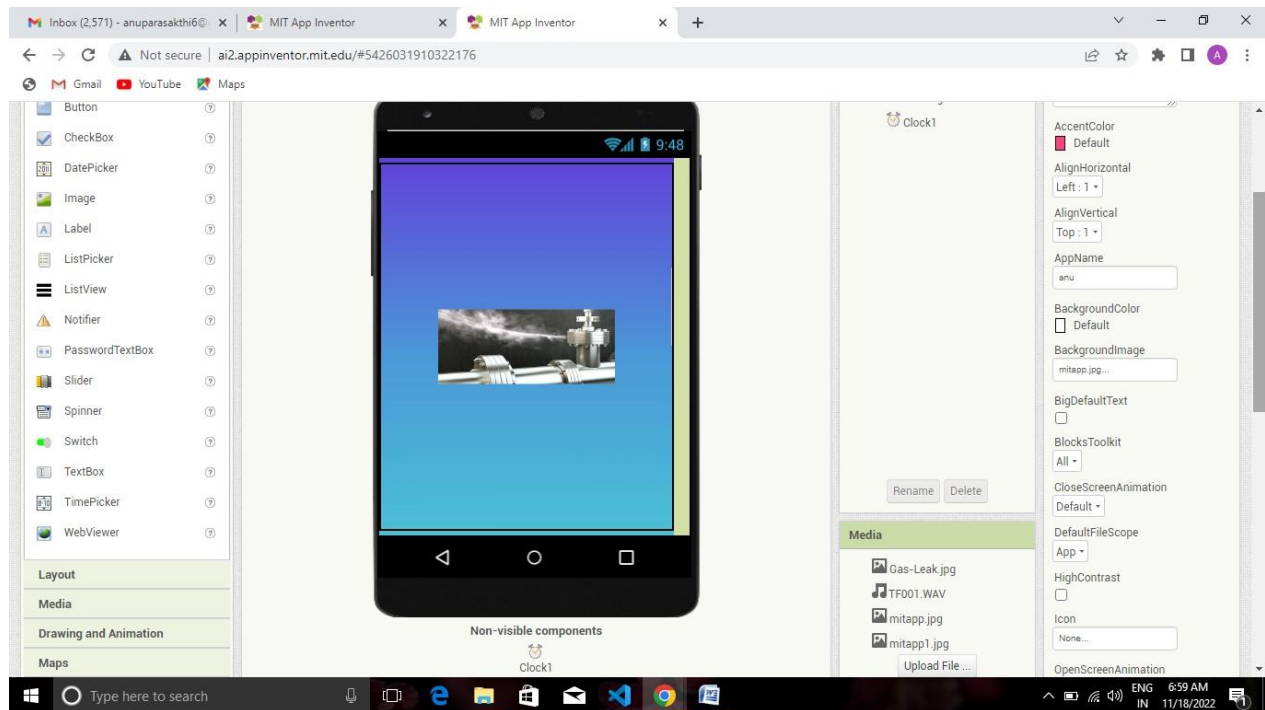

### **Designer:**

1. Images displayed in the Designer section, displays the Front-End of the user interface.
2. Regular users can view the Designer section whenever they start the application.

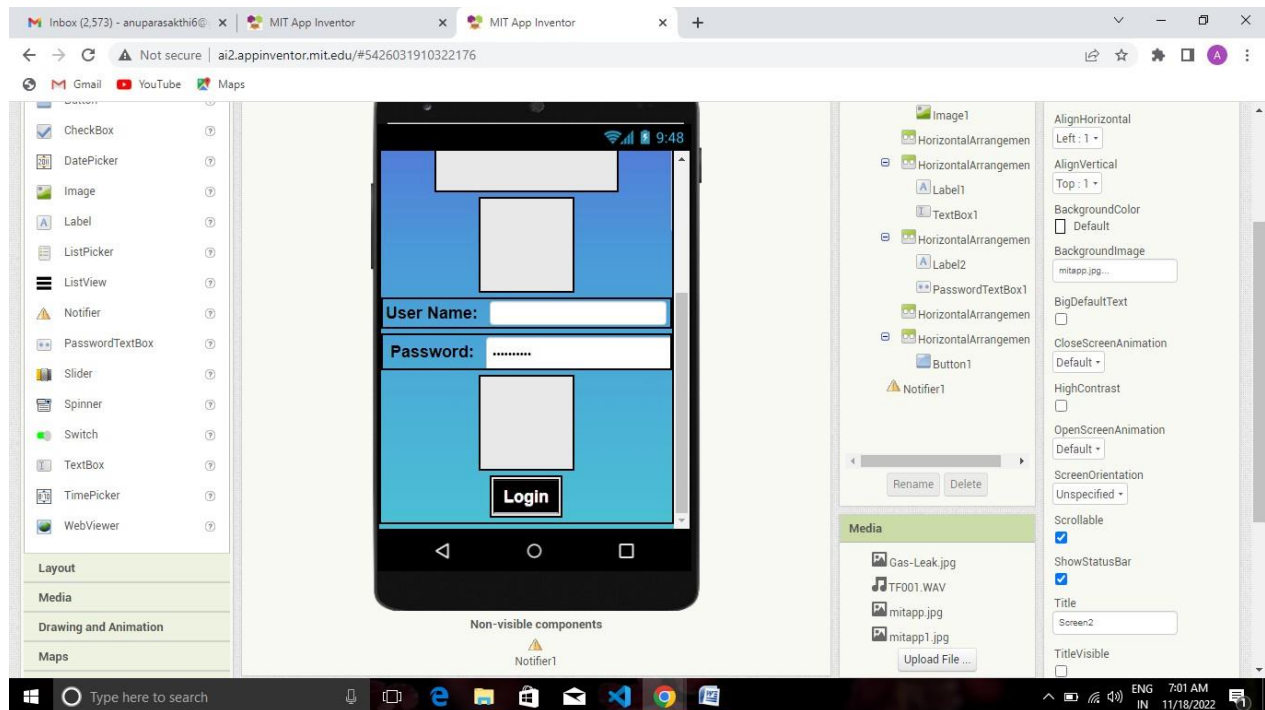

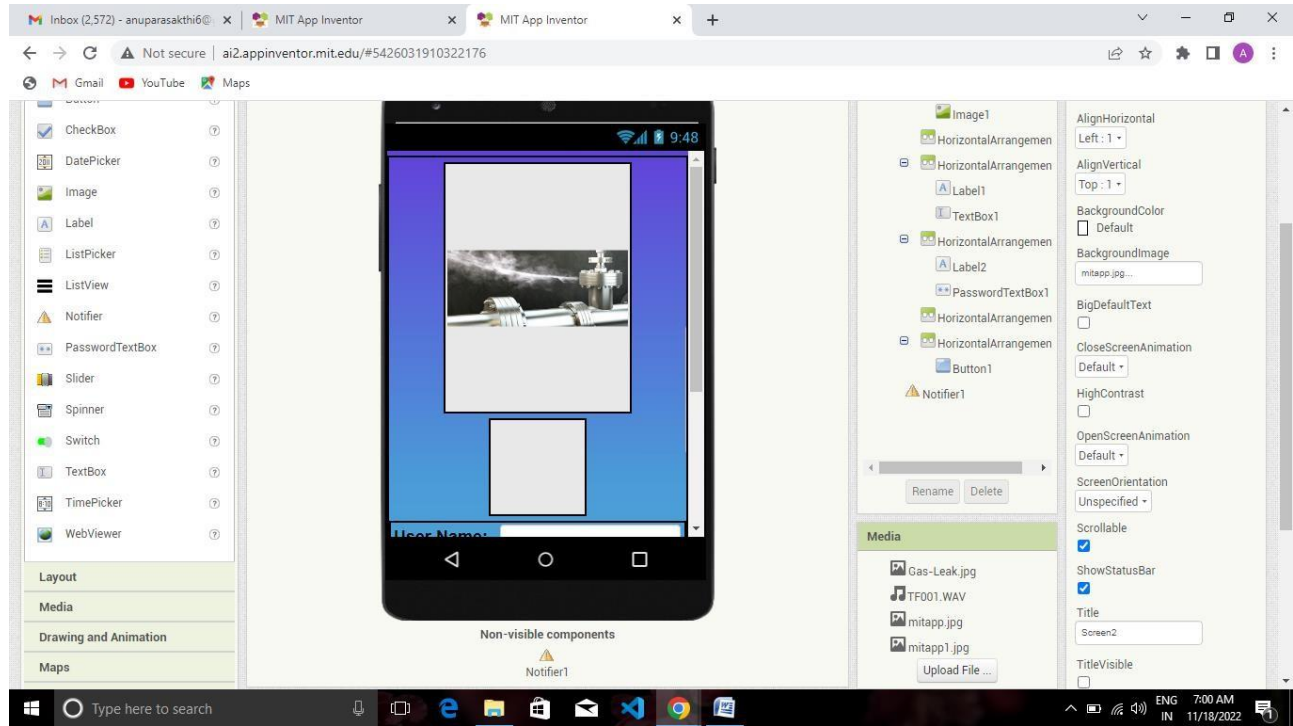

## Projects in MIT App Inventor:

## Screen2:

### **Screen3:**

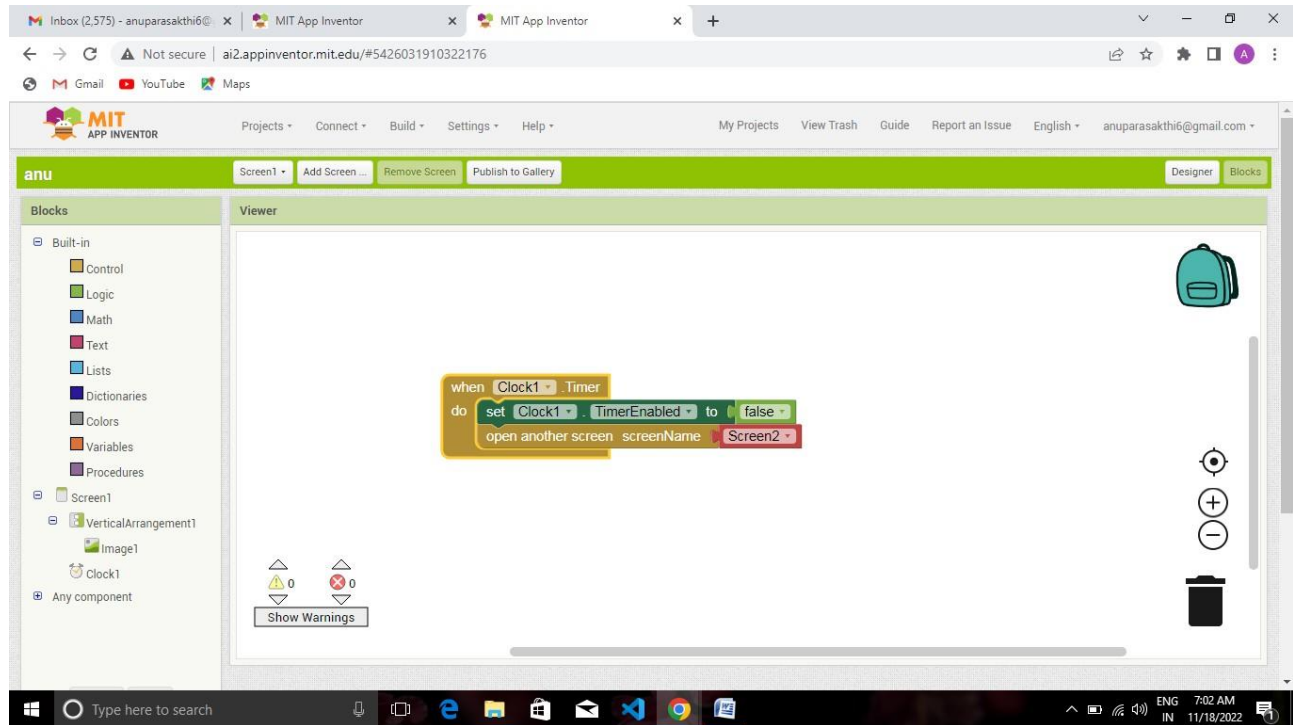

### **Blocks:**

coding are displayed in the Blocks section, displays the Back-End of the Mobile Application.

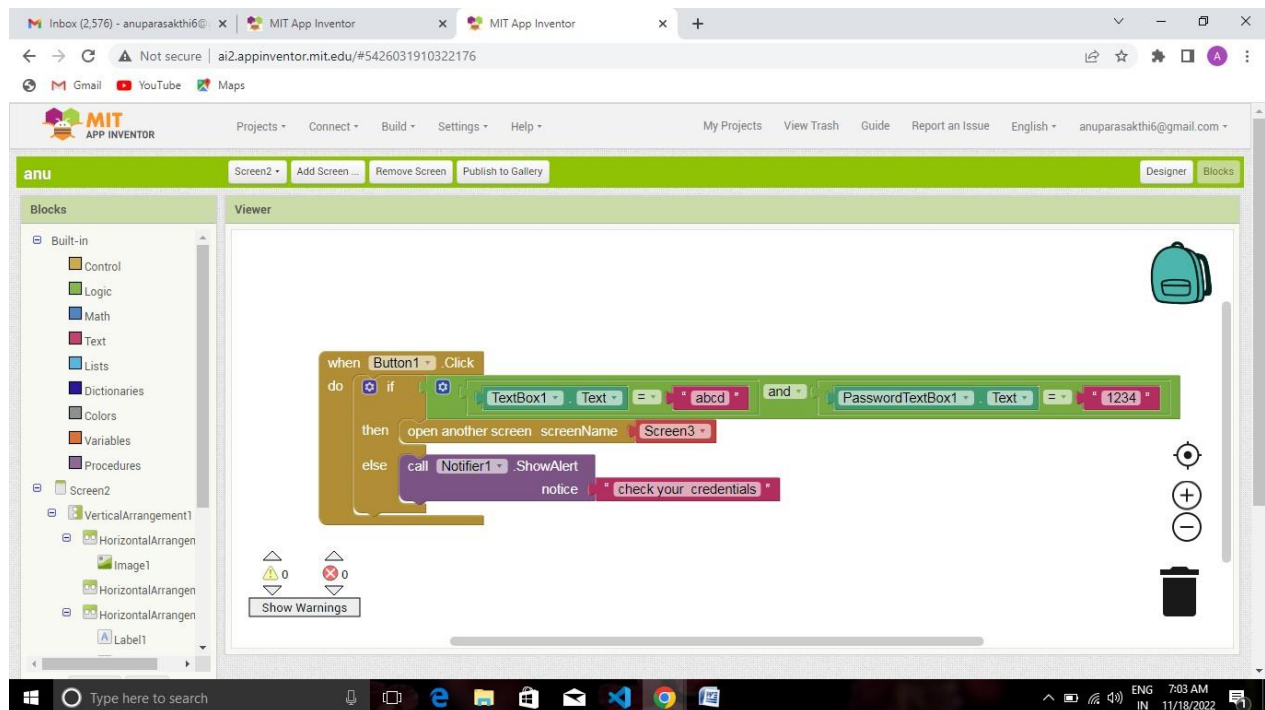

Only developers have access to view and modify it.

Proper working of the Application solely depends on the code developed in the Block section.

**User Name:**

**Password:**

**Login**

Enter the username and password and then click login button go to next screen in mobile:

A screenshot of a mobile application's login screen. The background is a blue gradient. At the top, there is a status bar with the time 9:42 PM, a speaker icon, a gear icon, and various network and battery icons. Below the status bar, there is a horizontal image of industrial pipes with a valve. The main content area contains two labels, 'User Name:' and 'Password:', followed by their respective input fields. The 'User Name' field contains the text 'abcd'. The 'Password' field contains four dots and a cursor. Below the input fields is a black button with the text 'Login' in white. At the bottom of the screen, there is a navigation bar with three icons: a square, a circle, and a triangle.

9:42 PM
